Important Note: Upon ticket purchase, you will be allocated a section, row and seat within the Members' Reserve via a digital ticket that will be sent to you from Ticketek.

COVID-19 VACCINATION CONDITION OF ENTRY

In line with the Victorian Government health directives for major events at the MCG, entry will only be granted to fully vaccinated patrons (over the age of 12 years and two months) who can provide proof of vaccination status

Children under 12 years and two months do not need to be vaccinated but must be accompanied by a fully vaccinated adult

Unvaccinated patrons will not be permitted to enter the MCG, unless they are able to display a valid immunisation medical exemption provided by a Victorian Government-approved health professional.

As members and their guests arrive at the Gate 2, they are asked to bring up their COVID-19 digital certificate to display to match day staff at the entrance gate in one of two ways:

1. Scan the QR code outside the entrance gate using the Services Victoria App on your smart devices.
2. Show their COVID-19 digital certificate in the same smart wallet on their device that houses their digital ticket from Ticketek. All patrons will still be required to “check-in” to the MCG via the Services Victoria app.

For patrons without a smart device, they will be required to provide a printed version of the COVID-19 digital certificate or Immunisation History statement, which can be used as evidence of vaccination.

COVIDSAFE MEASURES

COVIDSafe settings will be in place throughout the MCG, so please play your role and follow these simple directions.

- **Clean hands.** Please remember to wash or sanitise your hands regularly, using one of the MCG’s installed 275 Dettol hand sanitisation stations throughout the Ground.
- **Know when it’s time to bow out.** If you have COVID-19 symptoms or have been advised to get tested by a contact, workplace or school, please get tested and isolate until you get a negative result.
- **Protect the head.** Face masks are strongly recommended where physical distancing cannot be maintained.
- **Stay at least a couple of cricket bat’s length apart.** For good measure, please stay 1.5 metres from one another.
