

CRICKET 2015/16

This year the Boxing Day Test will feature West Indies for the first time in an MCG Test in 15 years. The MCG will also host 50-over and Twenty20 matches between Australia and India on January 17 and 29 respectively. The T20 Big Bash League (BBL) will again commence just prior to Christmas and carry through to the end of the school holidays in January.

The MCG will host four Melbourne Stars matches, while the inaugural women's BBL will see two matches played at the MCG between the two new Melbourne teams, Stars and Renegades.

We encourage members to come along and enjoy what is sure to be an action-packed summer of cricket.

To manage the capacity of the Members Reserve and to protect the amenity of members on major event days, Provisional members will have limited or no access to the Reserve on some days during the cricket season.

All MCG event days have been categorised according to the expected demand from members and their guests to attend that day.

These categories determine the access Provisional members have to the Members Reserve, as well as their ability to purchase visitor tickets and reserved seats, enter the Members Dining Room ballot or apply to obtain a Long Room or Balcony pass for guests.

Please refer to the tables for a description of each event category, along with what will be available to Provisional members at each day of international cricket this season.

The Hugh Trumble Cafe will also be available on a walk-up basis for casual dining.

Members Reserve access and seating

The MCC Members Reserve offers excellent seating on all four levels of the northern stand. Access to the Reserve for members and guests is via Gate 2 near the corner of Jolimont Terrace and Jolimont Street.

Full and Restricted members and annual guest cardholders will have entry entitlements to the Reserve for all matches in the 2015/16 cricket season. For Provisional members' entry entitlements, see page 3.

MEMBER-ONLY AREAS

Balcony seating

The majority of seating on Level 2 and all of Level 3 have been allocated for members, as well as guests of any age with a Long Room or Balcony pass.

Once a seat has been chosen, reserved seat tickets will be issued to those in attendance. It's a case of first-in, first-served.

Long Room

The Long Room will only be accessible to Full and Restricted categories of adult members (18 years and over), as well as adult guests with Long Room passes, subject to dress regulations. For Provisional members' entry entitlements see page 3.

Frank Grey Smith Bar

The Frank Grey Smith Bar on Level 3 is accessible to Full and Restricted members as well as guests with either Long Room or Balcony passes. For Provisional members' entry entitlements see page 3.

LONG ROOM AND BALCONY PASSES

Long Room Passes

A Long Room pass allows a guest aged 18 years and over to enter the Long Room, the Frank Grey Smith Bar and Balcony seating areas on levels 2 and 3 of the Reserve.

Balcony Passes

A Balcony pass allows a guest of any age to access the Frank Grey Smith Bar and Balcony seating areas on levels 2 and 3 of the Reserve only.

ADVANCE APPLICATIONS

For category B and C match days, a set number of Long Room and Balcony passes will be available for booking in advance. Applications received outside the advanced application timeframe will not be accepted.

Applications will be processed in order of receipt and accepted via the MCC website application form, by email or fax.

In the interests of allowing as many members as possible the opportunity to introduce guests into these areas, a limit of three successful advance applications per member for the season applies.

Cancellations must be made before 5.00pm on the last business day prior to the match.

MATCH DAY APPLICATIONS

Passes not allocated in advance will be made available for collection by members on match day from the windows to the left of Gate 2 one hour prior to gate opening time. Refer to the website for updates on the number of passes available.

Members who have booked passes in advance are not eligible to obtain passes from the match day allocation.

GUEST CARDS

A guest card is a transferable guest pass that allows the bearer access to the Members Reserve for all match days in which members are able to attend.

A guest card provides the same access rights as a visitor who has a daily visitor ticket. Therefore, guest cardholders do not have access to the Long Room, Frank Grey Smith Bar or Balcony seating, except when a member has obtained the relevant pass for them.

Guest cardholders are entitled to purchase one reserved seat per match day for each eligible guest card barcode.

50-YEAR MEMBERS

The John Landy Room on Level 2 of the Reserve will house 50-year members and their guests during the season.

Seating for 50-year members will be located on Level 2 in Bay N42. MCC staff will be on hand to assist members and guests on arrival. Please note the introduction of guests into the room and seating area is subject to demand on the various days. As a general rule, 50-year members may introduce one guest on match day.

BEHAVIOUR

Members and guests are expected to observe a standard of behaviour that is socially acceptable and in keeping with the standards befitting the club. While barracking for your team is encouraged, you and your guests are urged to respect others in your vicinity. Aggressive behaviour, bad language and racist remarks will not be tolerated under any circumstances.

Members are reminded that they are also responsible for the behaviour of their guests. Inappropriate behaviour by either members or guests may result in the suspension or cancellation of membership.

Members who witness any inappropriate behaviour in the Reserve are urged to report the matter to the nearest staff member or use the ground's anti social behaviour reporting text message service.

MISUSE OF MEMBERSHIP CARD

Membership cards are for personal use only and are strictly non-transferable under any circumstances. It is the member's responsibility to ensure that their card is secure at all times so it cannot be "borrowed" by anyone else. Misuse of membership cards may result in the suspension or expulsion of a member.

Regular random checks of photo ID membership cards will be undertaken at the turnstiles and throughout the Reserve.

LOST/STOLEN MEMBERSHIP CARDS

If you lose, damage or have your membership card stolen, please notify the club as soon as possible so that unauthorised use can be prevented. Unless you provide a police report of the theft of your card, a \$25 fee is payable to have the card replaced.

FORGOTTEN CARDS ON EVENT DAYS

Members arriving without their membership card, but with appropriate identification, may obtain an entry ticket to the Reserve after verification by membership staff at the Membership Services Office. A fee of \$10 is charged for this procedure.

ON-SELLING OF TICKETS PROHIBITED

Members should be aware that the on-sale of tickets to any event through public websites is strictly prohibited. Any member found to be in breach of club rules in this respect can expect to face disciplinary action. We seek your co-operation in this matter.

MOBILITY-IMPAIRED SPACES

Reserved seating for mobility-impaired patrons and their carers, including wheelchair spaces, will be available via Ticketek (1300 665 915 or agencies) or in person at the club. Spaces will also be available on all levels on match day on a first in, first-served basis.

CARER'S POLICY

Disabled members who are unable to attend the ground without the assistance of another person should contact the club to inquire about using their Companion Card or obtaining a carer's pass.

MEMBERS DINING ROOM BALLOT CONDITIONS

- ▶ Members may only register once per match day. Those listed in more than one booking will be disqualified from the ballot. Members wishing to dine together must be included in one application.
- ▶ The club will advise the number of dining room guests permitted per member prior to bookings opening for each match day.
- ▶ Members must ensure they have purchased visitor tickets for their guests, as a dining room booking does not guarantee entry into the Reserve.
- ▶ Members and guests dining for lunch during the Test will have access to a dedicated reserved seating area in front of the dining room on Level 2 to view the match.
- ▶ For day/night and Twenty20 matches, members and guests dining for dinner will have access to a dedicated reserved seating area in front of the dining room on Level 2 to view the match. Reserved seating is not provided for those dining for lunch during day/night matches.
- ▶ Members who have already purchased a reserved seat and are successful in the dining ballot may contact the club for a refund of the reserved seat component of their purchase. Members must contact the club prior to 5.00pm on the last business day before the match to obtain their refund.
- ▶ A \$20 per head "no show" fee applies for members and/or guests who do not arrive.
- ▶ Cancellations must be made before 5.00pm on the last business day prior to the match day by phone (03 9657 8888).
- ▶ Bills will not be split for credit card payments.
- ▶ Children may enter the dining room so long as they are accompanied by an adult, neatly dressed and adequately supervised.
- ▶ Walk-up dining will only be available in the Members Dining Room if the room has not been fully booked in advance.

Further information about the club's services, standards and policies can be found on the website.

Dress standards

The club's dress standards will again be strictly enforced during the cricket season.

To avoid any embarrassment at the turnstiles, please ensure that your attire, and that of your guests, is appropriate for the areas of the Reserve you plan to attend. Notwithstanding the dress standards outlined, management reserves the right to refuse entry to any person considered unsuitably attired. Please refer over the page for pictorial examples of the regulations below.
