

## XXIX CLUB

September 04, 2018

Dear XXIX Club Member,

The XXIX Club will again be undertaking a tour of the UK during July / August 2019. The land based tour will start in Dublin on Sunday July 28, encompass the Lord's Test (August 14 – 18) and will conclude on Tuesday August 20, following the Marylebone CC v Melbourne CC game at Lord's.

The itinerary is designed to attract a younger playing demographic and give the XXIX Club an opportunity to compete strongly in competitive matches, however, there will, of course, be some fixtures which will cater for the more "experienced" members.

The full itinerary is yet to be set due to some fixtures still to be confirmed, however, it is envisaged the tour will look something like the following:
