## INAUGURAL CHAIR'S RELEASE ORDER FORM

The Long Room Wine & Food Society is delighted to offer you our inaugural Chair's Release for purchase. This excellent wine was selected to celebrate the Winemaker of the Year, won by Mark Summerfield in 2019.

Members are welcome to purchase this wine in boxes of 6 x 750 mL bottles for \$165 (incl. GST) a box, including delivery.

### Pyrenees Shiraz | 2019 | Tasting notes

In a time when modern technology seems to rule the wine industry, we at Summerfield have a strong belief in tradition. Handpicking, open vat fermentation, basket pressing, and finishing all our red fermentation in oak barrels are very important to us. Having five generations of Summerfield's living and working on the land in the Pyrenees region of central Victoria (Moonambel) gives us a sense of duty to preserve these traditional techniques.

The opportunity to share our wines with the MCC members has been a wonderful experience. To be awarded the Winery and Winemaker of the Year has been an honor.

I believe the 2019 Shiraz is a testament to our winemaking philosophy. 2019 was a hot summer in the Pyrenees, with small yields producing exceptional quality; the 2019 Summerfield Pyrenees Shiraz is no exception. With blueberries, plums, dark cherries and spice on the nose, the palate finishes long and soft. Cellaring to 2035 is possible if you can resist the temptation to drink it now.

Kind regards

Mark Summerfield,

Owner & Winemaker | Summerfield Wines
